### **Management's Responsibility**

The preparation of the Statement, including the creation and maintenance of all accounting and other records supporting its contents, is solely the responsibility of the Management of the Company. This responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation and presentation to the Statement and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.

The Company's Management is also responsible for ensuring that the Company complies with the requirements of the Regulations, the Information Memorandum and the DTD's along with the covenants as prescribed the DTD for the purpose of

### Our Responsibility

Pursuant to the requirements of the Regulation, our responsibility is to provide a limited assurance as to whether the particulars contained in the accompanying Statement regarding maintenance of prescribed security coverage ratio as stated in Annexure I are in compliance with the financial covenants as stated in Annexure II as per the terms of the offer document/information memorandum and/or debenture trust deed in respect of listed NCDs of the Company outstanding as at 30<sup>th</sup> September 2023 are in agreement with the unaudited standalone financial results of the Company, underlying books of account and other relevant records and documents maintained by the Company and whether Asset Cover is correctly computed as per the terms of the debenture deeds. The unaudited standalone financial results, referred to in paragraph above, have been reviewed by us on which we have expressed an unmodified conclusion vide our report dated 09<sup>th</sup> November 2023. Our review of these unaudited standalone financial results was conducted in accordance with the Standard on Review Engagements (SRE) 2410, review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India ('the ICAI'). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial information is free of material misstatement. A review is limited primarily to inquiries of the company personnel and analytical procedures applied to the financial data and thus, provides less assurance than an audit. We have not performed an audit and accordingly, we did not express and audit opinion.

We have complied with the relevant applicable requirements of the standard on Quality Control (SQ) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements, issued by ICAI.

The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. The procedure selected depend on the auditor's judgment, including the assessment of the area where a

material misstatement of the subject matter information is likely to arise. We have performed the following procedures in relation to the accompanying statement:

- b. Enquired and understood management's assessment of compliance with details of security cover and the financial covenants as obtained in point (a) above and corroborated the responses from the understanding obtained by us during the review of the unaudited standalone financial results as referred to in paragraph above, as such further inspection of supporting and other documents as deemed necessary;
