

Overall excellent teaching and also management this was very much useful for me and all our college mates loved this entire package

The program was really very helpful, loved it, thank you for such an amazing opportunity

Such kind of industrial visits provides us interest to study

Training was excellent

It was really good experience

This program is really good and useful

The planning was awesome... No suggestion

The planning & execution was awesome. Such kind of industrial visits develops keen interest towards the academics, it was an excellent training, thank you Konkan Railway's♥

Excellent training, this was very much useful for me and all our college mates loved this entire package ♥
