Substations & 11/0.433kV Substations, 33kV & 11kV Power Cable Network, DG Sets, Ventilation & Control System, lighting, UPS system, Fire Fighting system & SCADA System, etc. and associated works of Highway Tunnel / Railway Tunnel.

Note 1: Value of Work for Evaluation purposes shall be updated based on Rupee value to bring them to the price level of date of deadline for submission of bids as per formula given below: -

$$A = B [1 + (5 \div 36500) \times N] \text{ Where}$$

A = updated value of work on dead line for submission of bids.

B = value of work on the date of completion as indicated in the Employer's certificate.

N = Number of days between date of completion and dead line for submission of bids. The base date for updating purpose shall be considered as the date of completion of work as certified by the Engineer-in Charge.

2. Of turnover of the Company/Firm in the preceding three financial years in the form of CA certified Annual Turnover Certificate.

3. Companies/Firms shall submit documentary proof issued by their respective clients (in original or notarized) in support of their credentials.

KRCL shall reserve the rights to decide the criteria for different categories/classes depending on the value of the projects completed and experience possessed
