

Interchange points with adjacent railways

Konkan Railway meets the Indian Railway zones at the following stations (Interchange Points)

Central Railway- Mumbai Division	: Roha (ROHA)
South Western Railway- Hubballi Division	: Majorda (MJO)
South Western Railway- Hubballi Division	: Madgaon (MAO)
South Western Railway- Mysore Division	: Thokur (TOK)

Chargable Distances in between Interchanges Points (Ex Roha):

(Distances in KM)

Interchange points	Coaching	Freight
Roha- Majorda	608.72	652.20
Roha- Madgaon	619.44	663.69
Roha- Thokur	1033.82	1107.66

Note: To recover the cost of construction and heavy maintenance cost (Due to difficult geographical condition) of the Konkan Railway line, the distances over Konkan Railway route are inflated by 40% for Coaching traffic and by 50% for Freight traffic.
