- DG sets of capacities up to 500 KVA.
- Water coolers & Air conditioners- 1 TR to 12 TR- Window, Split, package, Panel, In-row RD AC, Cassette & ductable type.
- Electrical signages
- Pumping installations with monoblock/centrifugal/ submersible pumps of capacities up to 25HP.
- Lighting in tunnels
- Lighting on platforms, approach roads and circulating areas of Railway stations
- Remote control systems- microprocessor based or similar- for tunnel ambience monitoring, data acquisition and remote operation of power supply, ventilation and lighting in long tunnels

B. Supply, installation and commissioning of:

- DG sets of capacities up to 500 KVA.
- Water coolers & Air conditioners- 1 TR to 12 TR- Window, Split, package, Cassette & ductable type
- Electrical signages
- Pumping installations with monoblock/centrifugal/ submersible pumps of capacities up to 25HP
- Electrification including Lighting in tunnels
- Electrification including Lighting on platforms, approach roads and circulating areas of Railway stations

- Electrification including provision of lights, fans etc. in railway station buildings, other service buildings and staff quarters etc.
- Building security – fire alarm systems, motion detector systems etc.
- Forced ventilation, power supply, tunnel ambience monitoring, data acquisition and remote operation/ control systems in long rail/ road tunnels
- Extension of power supply tie-lines- overhead/underground cabling – from State Electricity Authority’s source to KRCL’s load centre

2.0 Applications are invited for registration from desirous electrical contractors/ agencies for electrical works mentioned under para 1 (A&B) above and meeting the qualification criteria detailed hereunder. The application, in the prescribed format, shall be submitted on a CD with one set of hard copy duly signed by the authorized signatory/ies. Applications may please note that only factually correct information is to be furnished. In the event of detection of incorrect information, the Agency is liable to be summarily disqualified or terminated or black-listed.

3.0 The qualification for registration of contractors and their eligibility limit for award of contract shall be determined on the basis of objective evaluation of their organization, past experience, technical qualifications and financial capabilities.

Depending upon the capacity of contractor to take up the works and estimated value of the work, the eligible class of the contractor and minimum estimated value of the work shall be as follows:

Eligible class	Minimum Estimated Value of work
A	Above 100 lakhs
B	Above Rs.50 lakhs and up to Rs.100 lakhs
C	Above Rs.10 lakhs and upto Rs.50 lakhs
D	Above Rs.2 lakhs and up to Rs.10 lakhs
E	Upto Rs.2 lakhs.

3.1 If the application for registration is made by a proprietary firm, it shall be signed by the proprietor above his full typewritten name and full name of such firm with its current address.

3.2 If the application is made by a firm in partnership, it shall be signed by all the partners of the firm above their full typewritten names and current addresses, or alternatively by a partner holding power of attorney for the firm (a certified copy of the power of attorney shall accompany the application). A certified copy of the partnership deed and current address of all partners of the firm shall also accompany the application.

3.3 Registered Contractor shall not sub-contract any element of works to subcontractors without prior written consent of the Chief Electrical Engineer (CEE), KRCL or his authorized representative.

4.0 Qualification Criteria:

4.1 Qualification will be based on applicants meeting minimum criteria (as per Annexure A-12) regarding their general and particular experience, financial position, personnel and equipment capabilities and other relevant information as demonstrated by the Applicant's responses in the forms attached to the Application for registration.

4.2 Failure to provide information essential for the evaluation of the applicant's qualification or failure to provide timely clarification or substantiation of the information supplied, may result in disqualification of the applicant.

5. **Experience:** Applicants shall provide a list of the works indicating value of each work as evidence supported by Clients' certificates that they have undertaken during preceding 3 Years.

6. **Turnover:** The Applicant shall furnish copies of the documents indicating firm's turnover during preceding 3 Years. Cumulative turnover of preceding 3 years shall not be less than 150% of the upper limit of the level under which registration is applied for.

7. **Personnel capabilities:** The applicant shall supply general information on the management structure of the firm. The applicant shall possess valid electrical contractor's license issued by concerned Electricity Authority of the state.

8. **List of machinery/ Equipment/ capabilities:** The applicant is required to own or have assured access through hire or lease to the key items of equipment required for execution of the works for which registration is applied.

9. **Financial capabilities:** The Applicant shall demonstrate that it has access to, or has available liquid assets (aggregate of working capital, cash in hand and uncommitted bank guarantees), lines of credit, and other financial means (independent of any contractual advance payment) sufficient to meet the cash flow requirements for the level of works for which registration is applied.

The applicant shall submit documentary proof like volume of the work handled in last three years, turn over, balance sheet etc.. in support of financial capabilities / soundness of the applicant.

10. **Litigation History:** The Applicant shall provide accurate information about

any litigation or arbitration resulting from contracts completed or ongoing under its execution over the last five years. A consistent history of awards against the Applicant or any partner will result in disqualification of the application.

11. Disqualification:

Even though the Applicants meet the criteria, they are subject to be disqualified if Applicant or any of its constituent partners have:

- made misleading or false representation in the forms, statements and attachments submitted; or
- do not possess valid electrical contractor's license issued by concerned Electricity Authority of the state; which is required for the works as mentioned in Rule No.45 of IE rules, 1956. For all other exceptional works, which are mentioned in rule No.45 of IE rules, 1956, the requirement of valid Electrical contractor license is not essential; or
- KRCL administration is convinced of records of poor performance, as on the date of application such as abandoning the works, rescinding the contract for which the reasons are attributable to the nonperformance of the contractor, inordinate delays in completion, consistent history of litigation awarded against the Applicant or any of its constituents or financial failure, or
- been debarred by KRCL earlier.

12. De-registration :

Normal mode of tendering will be Limited Tender from amongst the contractors/ agencies borne on the registered list for the particular field of activity. In each case a short list of not less than 6 contractors/ agencies will be prepared for participation in the tender.

Contractors / agencies already working or having executed works in the past in Konkan Railway are provisionally approved and listed as Approved Contractors. Re-assessment of Technical & financial capabilities of the registered contractors shall be done by KRCL administration at any time at the discretion of administration but not later than three years. The registered contractors/ agencies are liable to be de-registered if these contractors/ agencies:

- Persistently do not submit their valid offers for the tendered work.
- Persistently quote unreasonably very high/ very low rates.
- Form a cartel with other registered contractors/ agencies in submitting offers.

- Engage in any illegal activities.
 - On account of poor performance.
- 13. Material Changes:** Applicants and those subsequently qualified or conditionally qualified, shall inform KRCL of any material change in information that might affect their qualification status.
- 14. Standing Earnest Money Deposit (SEMD):Not Applicable.**
- 15. Payment of Fees for Registration**
- a. Application Fees:** The Applicant shall pay an amount of Rs.1000/- as initial payment towards issue of Application Form. The Applicant may also download the application form from website www.konkanrailway.com & deposit the amount of Rs.1000/- while submitting the form.
 - b. Registration Fees:** For registration in the Approved List, the Contractor will have to furnish a non-refundable fee of Rs.2000/- for Class “E”, Rs.5000/- for Class “D”, Rs.7,500/- for Class “C”, Rs.10,000/- for Class “B” and Rs.15,000/- for Class “A”. This fee will cover the entire period of three years or part thereof.
 - c. Postal Charges :** After the registration into Approved List of Contractors the contractors have to pay postal charges for sending tender notices @ Rs.1000/- per annum.
 - d.** The above payments/fees/SEMD shall be paid by crossed Demand Draft from Nationalised Banks or approved Schedule Banks drawn in favour of FA&CAO/KRCL/Belapur payable at Belapur.
- 16. KRCL's Rights**
- (i) Should the circumstances warrant such an assessment in the overall interest, KRCL reserves the right to assess and verify independently the authenticity of information furnished by the applicants from applicant's bankers, other organizations where the applicant/s is/ are registered or where the applicant/s has/have executed the works.
 - (ii) The final decision regarding registration, renewal, deregistration, blacklisting, enhancement or reduction in category etc. will be of competent authority in Konkan Railway Administration.
 - (iii) KRCL reserves the right to modify/amend the qualification criteria, cancel the pre-qualification process and reject any or all applications without assigning any reason and shall not be liable for such actions.

APPLICATION FORM (A-1)

GENERAL INFORMATION

All applicants are required to complete the information in this form. Nationality information to be provided for all owners or applicants who are partnerships or individually owned firms.

1	Name of the firm:	
2	Name of the contact person:	
3	Head office address:	
4	Telephone No.:	Contact No.:
5	Fax No.:	E-mail address:
6	Place of incorporation / registration	Year of incorporation / registration
7	Details of registration as Electrical Contractor by State Electricity Authority:	Year of registration / renewal of license:
8	PAN No.	
9	EPF No.	

Nationality of Owners (*)		
Name		Nationality
1
