

## Interchange points with adjacent railways

Konkan Railway meets the Indian Railway zones at the following stations (Interchange Points)

Central Railway – Roha (ROHA)  
South Western Railway – Majorda (MJO)  
South Western Railway – Madgaon (MAO)  
Southern Railway – Thokur (TOK)

**Chargable Distances in between Interchanges Points (Ex Roha):**

(Distances in KM)

Interchange points	Coaching	Freight
Roha- Majorda	608.72	652.20
Roha- Madgaon	619.44	663.69
Roha- Thokur	1033.82	1107.66

**Note:** To recover the cost of construction and heavy maintenance cost (Due to difficult geographical condition) of the Konkan Railway line, the distances over Konkan Railway route are inflated by 40% for Coaching traffic and by 50% for Freight traffic.
