

## Interchange points with adjacent railways

Konkan Railway meets the Indian Railway zones at the following stations (Interchange Points)

Central Railway – Roha (ROHA)  
South Western Railway – Majorda (MJO)  
South Western Railway – Madgaon (MAO)  
Southern Railway – Thokur (TOK)

**Chargable Distances in between Interchanges Points (Ex Roha):**

**(Distances in KM)**

<b>Interchange points</b>	<b>Coaching</b>	<b>Freight</b>
<b>Roha- Majorda</b>	<b>608.72</b>	<b>652.20</b>
<b>Roha- Madgaon</b>	<b>619.44</b>	<b>663.69</b>
<b>Roha- Thokur</b>	<b>1033.82</b>	<b>1107.66</b>

**Note:** To recover the cost of construction and heavy maintenance cost (Due to difficult geographical condition) of the Konkan Railway line, the distances over Konkan Railway route are inflated by 40% for Coaching traffic and by 50% for Freight traffic.
