**RORO RATE CIRCULAR (SL-KEB-SL) No. 01 OF 2018**

**Sub: Tariff for RORO services between Surathkal (SL) and Karambeli (KEB)**

Konkan Railway Corporation Limited has decided to introduce the RORO services between Surathkal (SL) station over Konkan Railway and Karambeli (KEB) station over Western Railway. The tariff for booking off trucks and other conditions for this service shall be as under:

1. **Tariff (In Each direction):**

Description	Rate (Excluding GST)
Rate per truck weighing upto 10 Ton	Rs.17500/-
For each additional tonne above 10 Ton and upto 15 Ton	Rs.600/-
For each additional Ton above 15 T and upto 25 T	Rs.750/-
For each additional tonne above 25 T	Rs.1000/-
<i>Note : GST @ 5% will be applicable on the rates stated above</i>	

- The maximum gross weight of truck permitted is 40 Ton.
- The maximum height of truck should not exceed 3.425 meters (from Ground level to highest point of the truck)
- In Karambeli – Surathkal direction, weight declared by the trucker supported by the weighment slip from any approved weighbridge in the vicinity of the KEB station will be accepted for booking.
- At destination station, the trucks will be weighed at RORO weighbridge at Surathkal station and additional charges, if any, shall be payable by the trucker at destination station.
- Wide publicity to these instructions may please be given through all possible means (i.e. notice boards at stations, weighbridge locations, circulation of copies to marketing agents and truckers etc) for information of RORO service users.
- These rates will come into effect from the date of introduction of the services.
- This issues with the concurrence off finance and approval of Competent Authority.

All concerned to please note and act accordingly.
